I, the undersigned counsel, seek admission to the District Court for the District of Oregon. I request waiver of the local Attorney Admission Fee and reimbursement of the statutory Attorney Admission Fee from the Attorney Admission Fund, based on the following facts:

1. Payment of the admission fees would be a hardship to me. Without waiver and reimbursement, I will not be financially able to seek admission to the federal court at this time and will not be able to provide pro bono services to clients in federal court.
2. I have completed or have signed up for and will promptly complete the training course offered by Legal Aid Services of Oregon and the Oregon State Bar Debtor-Creditor Pro Bono Program.
3. I commit to participating in at least two bankruptcy clinics conducted by Legal Aid Services of Oregon and the Oregon State Bar Debtor-Creditor Pro Bono Program in the next 12 months and providing legal services to clients I see at the clinic.

Therefore, I request that (1) the \$24 local Attorney Admission Fee be waived, and (2) the \$176 statutory Attorney Admission Fee be reimbursed to \_\_\_\_\_, who has advanced the payment on my behalf, from the Attorney Admission Fund.
